Lagoon wall hung toilet with Bank flush plate and Reina paper holder in brushed black.

Shown here:

Lagoon back to wall WC, Bank flush plate in brushed gold.

Introduction

ARMERA brings affordable luxury within an easy-to-comprehend & coordinated bathroomware portfolio that harnesses detail in design.

Founded on experience & passion, ARMERA is the creation of a committed and personable team with over 25 years' experience in bathrooms, product design and interiors. Our promise is to provide considered design in form and function, a complete and seductive offering, and a close partnership-approach with our customers.

Our approach towards our sales channel is to partner with retailers ensuring the final customer receives great advice and service. Our partnership distribution strategy, devotion to detailed design, and trusted personal service embodies who we are.

Our design process is born out of genuine passion and love for our products. We have listened and learnt from the market, from end consumers to installers, retailers to project specifiers, interior designers and contract partners. We have engineered new technologies and solutions that make life safer and easier. We have designed products to create well-proportioned, beautiful bathroomware which delivers a superior experience.

We are not always trying to re-invent the wheel, we also sensibly look at what already works well, and make it better by focusing on the design detail, striking a perfect balance between old and new.

Manufacturing is in accordance with the strictest of quality processes and standards, implemented with years of experience in this field. This results in true manufacturing excellence, culminating in guaranteed technically and aesthetically superior products.

Our products conform to the Water Supply (Water Fittings) Regulations 1999 UK Regulation 4, and are designed and manufactured with sustainability in mind, incorporating water-saving and flow-regulated technology. All of our products are quality-guaranteed.

25 YEAR GUARANTEE	Ceramic toilets and basins
15 YEAR GUARANTEE	All brassware, including taps, thermostatics, showering, accessories and bath wastes
10 YEAR GUARANTEE	Furniture
5 YEAR GUARANTEE	Concealed cisterns, flushing mechanisms and WC seats

2 years guarantee for parts & labour, extended as above for parts only when registered on armera.co.uk

We offer special finishes coordinated across the entire range. Special finish options include the sleek brushed black, an elegant brushed gold and the smart brushed stainless steel. Customers can match their brassware in their chosen finish to accessories, flush plates, toilet hinge cover caps, basin wastes and overflows. We have an array of colour and finish options for our furniture, ranging from our opulent Walnut Noir to the contemporary Cavern Blue.

Our products are also designed to operate well on all plumbing systems. The symbol **LP** indicates the product can be used on ANY system, therefore making product selection easy whilst guaranteeing user satisfaction. Only in a few instances do we recommend items are used

with a minimum of medium-pressure, and these are indicated by the symbol **MP** .

LP = minimum 0.2 bar

MP = minimum 1 bar

We love our industry, our business, our products and our customers. Thanks for working in partnership with ARMERA to ultimately provide a gratifying and superior bathroom experience.
