Caring for your Armera product

We recommend only cleaning your product with a soft damp cloth. Please do not use any other cleaning products as they may damage the high quality finish of this product.

Guarantee

This ARMERA product is guaranteed against manufacturing defects. The cover period is from date of supply to the Armera customer and will last for 2 years for parts and labour. The parts guarantee can be extended to 15 years by registering your guarantee. To register your guarantee and review all guarantee conditions, please go to www.armera.co.uk

INSTALLATION INSTRUCTIONS

1. Install pipework in the wall with a $\frac{1}{2}$ " female fitting. Screw in the spigot and take a measurement of any excess thread.

2. Cut down the thread as necessary.

3. Apply PTFE or jointing compound to the threaded part of the spigot.

4. Secure the spigot into the $\frac{1}{2}$ " female fitting using an allen key.

5. Position the wall flange onto the shower arm and then slide the shower arm onto the spigot. Secure the arm in place by tightening the grub screw on the top of the arm.
